

## **Save the Date: Takeda Invites US Hypoparathyroidism Patient Community to April 26 Teleconference**

On April 26, 2021, leaders from Takeda's Medical, Research & Development (R&D) and US Commercial organizations will host a video teleconference with the US hypoparathyroidism community to provide more context regarding our March 31<sup>st</sup> communication. Advocates from across the US hypoparathyroidism patient community have reached out with requests for more clarity around the issues that are contributing to our latest projected US resupply timelines. Through this session, our leaders will aim to address the community's feedback.

Questions for this teleconference may be submitted by email to Takeda's public relations agency partner at [HypoparaCommunity@gmail.com](mailto:HypoparaCommunity@gmail.com) before Friday, April 23 at 5pm ET.

To access the call, please use the instructions below:
