

## Transaction in Own Shares

**August 1, 2013** – Shire plc (LSE: SHP, NASDAQ: SHPG) (the “Company”) announces that, in accordance with the authority granted by shareholders at the Company’s Annual General Meeting on April 30, 2013, it purchased 7,700 of its ordinary shares of 5 pence each (“Ordinary Shares”) on July 31, 2013 through both direct purchases of Ordinary Shares, and through the purchase of Ordinary Shares underlying ADRs. The highest and lowest price paid for the directly acquired Ordinary Shares was 2415.00 pence per share and 2400.00 pence per share respectively, and for those Ordinary Shares acquired through the purchase of ADRs was 3663.33 cents per share and 3648.33 cents per share respectively.

The purchased shares will be held as treasury shares. Following the above purchase, the Company holds 9,591,190 Ordinary Shares as treasury shares and has 553,273,252 Ordinary Shares in issue (excluding treasury shares).

The purchases were made by an independent third party which makes its trading decisions independently of, and uninfluenced by, the Company. The independence of the third party enables the Company to continue to purchase Ordinary Shares (including Ordinary Shares underlying ADRs) during close periods and other prohibited periods, should they arise. The third party has been appointed by the Company to make purchases to December 31, 2013.
